Об университете:

Oregon State University, государственный университет Орегона расположен в городе Корваллис, штат Орегон. Это один из ведущих исследовательских центров США, и один из в двух университетов, участвующих в федеральных программах исследования земных недр, морей, солнца и космоса. Расположенная в Университете Лаборатория волновых исследований является самым оснащенным в США центром исследования

цунами. К услугам студентов роскошная научная библиотека с открытым исходным кодом доступа ко всем передовым разработкам в области программного обеспечения, современные научно-исследовательские лаборатории, возможность прохождения стажировок в период обучения.

Свободное время студенты проводят насыщенной жизнью, в университете действуют многочисленные студенческие сообщества, выпускается студенческая газета, действует самодеятельный театр и работают спортивные секции.
